Action: School Council to talk about the vision ahead of meeting on Friday.

1. Vision: *achieve*, *kindness* and *perseverance*

The children have shared the words above and looked at these with their classmates. The children have noted the following words: caring, kind and respect and also fun and learning. Friendship stood out. **Kindness, respect, perseverance, caring and friendship.**

One School Councillor shared that our school moto should be displayed so it's easy to see.

2. **Sports Day**
   HT shared the proposed running order with the children. They were all excited by the events. They were asked to share the running order with their class mates and ask if there were any particular events which they would like adding.
