Notes:

Children discussed some items they would like for the playground.

- Playhouse
- Gazebo
- Another trim trail but smaller
- New picnic benches to sit on
- New benches on the slopes
- Re-seed the muddy patches/gravel/bark for these areas

<u>Equality and Equity in our School</u>

Equity is making sure people have what they need to succeed.

Equality is treating everyone the same.

Equality aims be fair to all, everyone has to be starting from the same beginning with the same resources.

Equality means everyone its treated fairly, but doesn't always mean everyone the same.

How are we treated fairly at school.

- People have access to all books in the library
- People have access to equipment on the playground, but sometime the sports are hard to join in if you are younger
- Some people get extra help with adults, but it is so it can help them

Next Steps:

- ☐ Feedback to PTA on the purchase requests
- ☐ **Discuss 9 protected characteristics poster in class and ensure children know what these are and why they are important.**
