MAD Ambassadors/
School Council Meeting
Monday 27th February 2023

Homework

Agenda:

Review the way we do homework at school.

In attendance:

Representatives from School Councils at: ASI, ASJ, DCT and ST. Giles

Minutes from the meeting:

Do you find the homework interesting? Too easy? Too hard?

DVK: interesting English is interesting I like the facts and I like learning about other things I like learning.

AW: Maths can be hard as some of the questions we haven't learnt yet.

MS: maths is easy

HF: not interesting

EH: we have done it all before it's boring not new

EK: I think the English is easy and the maths is a challenge

AB: I find it quite easy

DF: When we mark it we go through the answers

SC: I find it hard and it's tricky to go through and I don't get it.

CH: We like doing maths tests and things and we like doing homework

DVK: you do need to learn maths, everything needs maths.

How long does it take to complete?

AW: 15 mins

SC: 20 mins each sheet

DVK:

Can you do your homework independently?

CH: I do homework club on a Tuesday so I can get help if I need and that's good.

Does your homework help you remember key learning that helps you in lessons?

CH: it gets it good into your brain like apostrophe's

DCT:

All agreed that their homework was pretty easy and that they could do it on their own.

They found it interesting and they have a homework club at their school (but no biscuits)

Some of the homework is quick to do so might need looking at how it could be reviewed.

St. Giles:

Homework get progressively more difficult over the course of the years and the children noted how important that is for when they go to Highfields.

They do TT Rockstars and reading and spelling but sometimes they are tired.

Mr. Williams said he thinks the homework is about right but they will see what the other children think.

Please discuss the following questions with your classes:

Do you find the homework interesting? Too easy? Too hard?

How long does it take to complete?

Can you do your homework independently?

Does your homework help you remember key learning that helps you in lessons?

Do you have any suggestions about homework?
