Routines and Responsibilities

The children begin the school day by doing *Morning Work (from 8:40am)*.

In Class 4 we encourage the children to be as independent as possible, including having their PE kits in school for TUESDAY

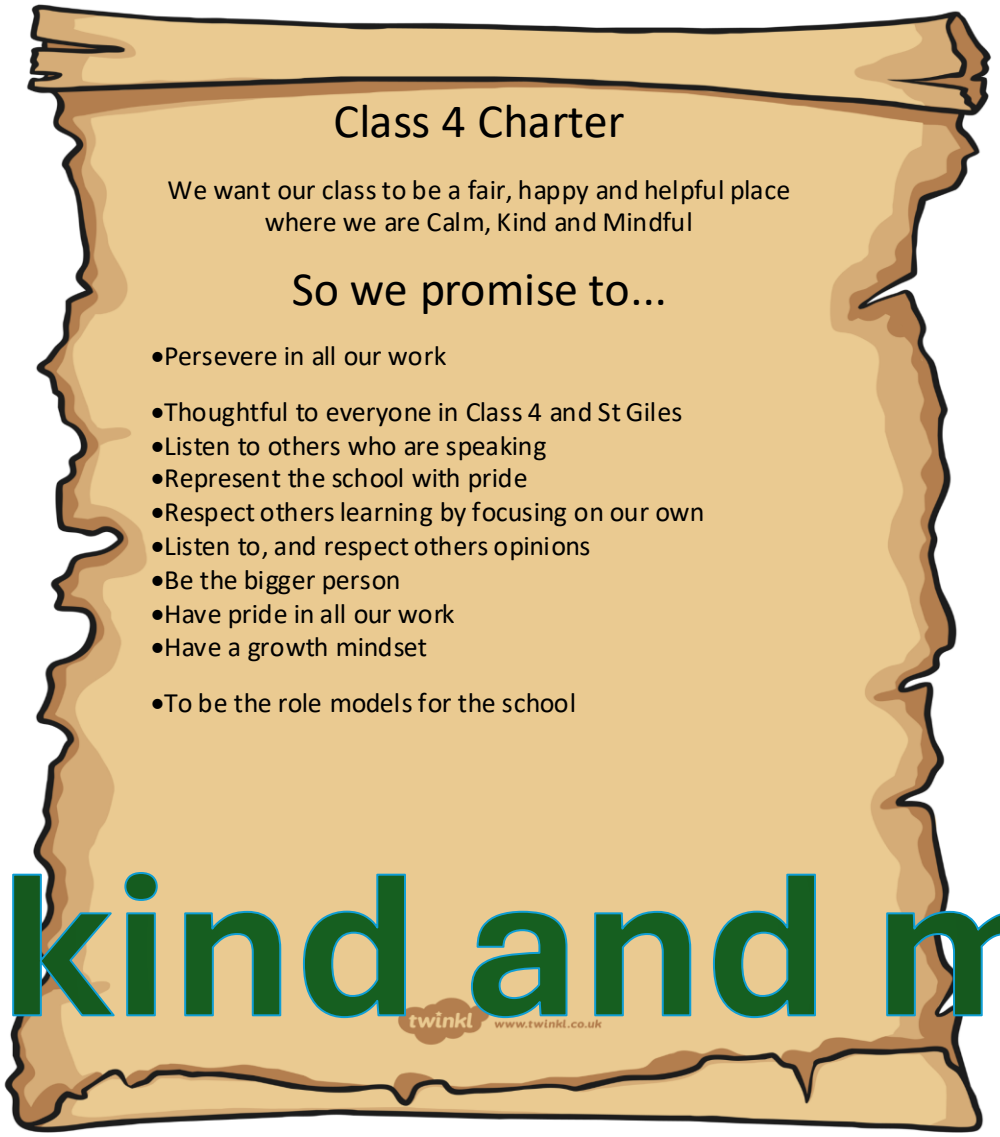

In Class 4 particularly, the children will also have the opportunity to take on extra responsibilities, which I will detail later.

We encourage the children to set a good example to the younger children and be supportive and responsible members of the school community.
