Review of the Behaviour Policy

Minutes from the meeting:

In attendance:

Bluebell, Violet, Iris, Joel, Ellie, Joseph, Malayah

Absent:

Non

Notes:

Discussion of the new policy and children's views

Joseph – It helps children understand behaviour expectations

Ellie – Really good idea, I like the chance to change from Amber to green to silver and gold

Iris: It's really good, when you get to unicorn, you know what you need to do to get back to unicorn the next day.

Joel – Children know when they have been good and not good, it could be tough to move up. Normally children who are good might not get noticed.

Bluebeell - I like it, I like knowing I've been good.

Next Steps:

- ☐ **Discuss these things with whole governing body**
