OTHER NEWS

- **MONDAY 24TH NOVEMBER – REMINDER THAT THIS IS AN INSET DAY – SCHOOL IS CLOSED TO PUPILS FOR STAFF TRAINING.**

- **Wraparound Care Bookings** – Thank you to everyone who has booked for Breakfast and After School Club using Arbor. **A polite reminder that all children must be booked in advance**. We are still having children arrive at Breakfast Club and After School Club that we weren't expecting. Fortunately we have been able to accommodate the extra children so far but some days we have been at maximum capacity. If you are experiencing any teething problems using Arbor to make bookings please do let us know in the office so that we can help you. Please also remember to cancel any booked sessions that you no longer require with the office to free the space up for others. Non-attendance will be charged.

- **Secret Santa** – We would be grateful for donations of unwanted gifts for the Secret Santa event on 12th December. There is a box in reception. Suggested items: Toiletries, Chocolate, Candles, Socks etc. for both men and women. Thank you in advance for your support.

- **Christmas Dinner – Wednesday 17th December.** Unfortunately, this year we are unable to open this up to the whole school. Only children who normally have a school lunch on Wednesdays will be able to have a Christmas Dinner. This is totally out of our control due to issues with kitchen equipment which is currently restricting the catering staff on a daily basis. We understand that this may be disappointing as we have always been able to offer this in the past. Please accept our apologies.

- **Tuesday Football Club with Mr Williams.** The Football league matches have finished for this term. Due to the dark nights football club will also take a break until after Christmas. We will advise when this will restart.

- **Friday 19th December** – As this is the last day of the Autumn Term there will be **NO AFTER SCHOOL CLUB.**

- **Nut Free School –** A gentle reminder that we are a **nut free school**. This means **no nuts or nut products** (including peanut butter, Nutella, cereal bars with nuts etc.) should be brought into school. We have children with nut allergies and even a small trace can cause a serious reaction. Your support helps us keep everyone safe and healthy.

- **Car Park Safety – Polite Reminder and for the benefit of our new parents - Please do not use the school car park to drop off and collect your children.** The car park is for staff, visitors and deliveries only. The safety of your children is our priority and the car park is not a safe place for children at these busy times of the school day. Thank you in advance for your cooperation with this.

- **Water Bottles - Please ensure your child has a water bottle, with their name on (containing only water) in school every day.**

Please do not hesitate to contact us on 01629 56813 or by email with any questions or queries.

Friday updates can be found in the Newsletters section of our school website.

it's about me
Derbyshire's Holiday Activity and Food Programme

MORE INFORMATION

Did you know that as well as free school meals during term time, your child can also benefit from Department for Education-funded spaces at holiday clubs in your local area?

Thanks to the Holiday Activity and Food Programme, known in Derbyshire as 'It's About Me', your child can experience holiday clubs filled with fun, learning and healthy meals at no cost to you!

If your child is aged between 4-16 years old* and is eligible to receive benefits-related free school meals, they're entitled to access It's About Me holiday clubs.

With a wide range of activities such as sports, arts and crafts, cooking, dance, music and more, there's something for everyone! Plus, every session includes a nutritious meal to keep them energised and happy throughout the day.

Each club offers a unique programme depending on its location and type—there's so much to explore!

Not eligible? Many clubs also offer paid places, so every child has the chance to join the fun.

*See website for full eligibility criteria.

What Parents & Educators Need to Know about TRACKING DEVICES

Bluetooth tracking devices like Apple's AirTag and Samsung's SmartTags have exploded in popularity, with millions sold each year. These small tools help people locate their lost items, but their discreet design has also made them attractive for more sinister purposes. From stalking to bullying, tracking devices present unique risks that trusted adults need to understand and address.

WHAT ARE THE RISKS?

STALKING AND HARASSMENT

Because of their tiny size and unassuming appearance, tracking devices can easily be hidden in bags or clothing. They've been used to monitor individuals without their knowledge, with a lawsuit in the US labelling AirTags "the weapon of choice of stalkers and abusers". In the UK, use of tracking devices in coercive control and stalking cases reportedly rose by 317 percent between 2018 and 2023.

INVASION OF PRIVACY

These devices are designed to share location data with the user via other people's phones, which can unintentionally broadcast someone's movements without their consent. This makes them vulnerable to being monitored by strangers without realising.

TOOLS FOR BULLYING

Tracking devices could allow bullies to follow or locate their targets even outside of school. This makes it difficult for children to find refuge, potentially extending the trauma of bullying into spaces – like home – that should feel safe and secure.

DIFFICULT TO DETECT

Many tracking devices are designed to be discreet, but that also means they're easy to hide. Without proactive checking or the right tech to detect them, children and young people might not realise they're being tracked.

FALSE ACCUSATIONS

Because tracking devices are linked to user accounts, they could be misused to 'prove' ownership of someone else's possessions. Someone could, for example, plant a tracker on another person's belongings to falsely claim them as their own.

Advice for Parents & Educators

WATCH FOR WARNING SIGNS

If a child's peers always seem to know their location – whether in person or hinted at online – it could be worth checking for tracking devices. Some, like AirTags, will eventually make a noise if separated from their owner. Listen out for a chirping sound.

USE DETECTION APPS

Apple devices running iOS 14.5 or later will notify users of unknown AirTags nearby. Android users can install Apple's 'Tracker Detect' or the third-party app 'AirGuard' to scan for tracking devices from various manufacturers.

CHECK LIKELY HIDING SPOTS

Common places where trackers may be planted include jacket linings, bag seams, pockets, or under bike seats. If you find one, take a photo of the serial number before disposing of it – this could help police trace the account it's linked to.

HAVE THE CONVERSATION

Talk to your child about what tracking devices are, what signs to look out for, and how they might be misused. Emphasise the legal consequences of using them to prank, harass, or monitor someone.

The cold weather can cause problems for some people. So we've put together some useful information about how to keep you and your family well during winter.

Be prepared!

If you are not on mains gas or electricity, make sure you have a good supply of heating oil or LPG or solid fuels, so you don't run out of fuel over winter

Ensure all heating and cooking appliances are checked by a Gas Safe registered engineer

Stock up on tinned and frozen food to avoid going out when it's cold or icy

Watch the weather forecast and prepare for the colder weather. You can sign up for cold weather alerts on the Met office website at www.metoffice.gov.uk

Contact your water and power suppliers to see if you are eligible to be on the Priority Services Register. Find out more at www.derbyshire.gov.uk/prioritysservicesregister

Try to prevent any trips, slips and falls as these are one of the biggest causes of hospital admissions for older and more vulnerable people.

Find out more about falls prevention at www.derbyshire.gov.uk/falls and contact Age UK Derby and Derbyshire for information about falls prevention classes

Get winter tyres fitted to your car and keep items such as jump leads, warm clothing and a blanket in your car in case of break downs.

Medications

- Take up any winter vaccines you are offered to help you stay well this winter.
- Make sure you have enough medication at home in case you are unable to go out due to bad weather

Keeping children safe in the cold weather

Are you aware that children are more vulnerable to the cold? Children's bodies are smaller and they lose heat quicker than adults so here are some top tips to keep children warm and safe in the cold weather.

Be prepared!

Think about signing up to the Met office alerts and watch the weather forecast to help you prepare for colder weather.

Ensure you are aware of the procedures that your child's nursery or school has in place in case of bad weather - this will help you to avoid unnecessary travel. It would help to have a plan in place in case of school closures.

Living in a cold home has negative impacts on a child's health and wellbeing.

Many families are facing the rising costs of heating bills and it is important to be aware of the available support.

Clothing - think layers

Make sure children are layered up. Start with a vest and then a t-shirt and another layer on top.

These can be taken off throughout the day

www.derbyshire.gov.uk/staywellthiswinter

Keeping warm

Dress children warmly in winter coats, gloves and hats.

Remember as children play and learn outside, to provide your child with a warm coat they can move around in.

It's always handy to have pockets to put a glove in each to keep them from disappearing!

Staying safe outside

Keep an eye on children playing outside in the cold weather - if they are not moving around much or start to shiver, bring them inside to warm up.

Watch out for symptoms of hypothermia such as shivering, lips going blue, slurred speech and lack of coordination.

Introducing active games such as obstacle courses, jumping, and riding bikes can encourage movement and keep children warm.

Adults also need to remember to stay warm and layer your clothes too!

Look out for others by checking in on older neighbours or relatives - especially those who live alone or who have serious illnesses, to make sure they are safe, warm, and well.
