1. Actions from previous week

COMPLETED: Hold a circle time meeting with classes and shared simple Equalities Act and 9 Protected Characteristics.

- How do the grown-ups make sure we are treated fairly?
- People thought that the 'seed' was going treated badly but towards the end the seed was treated fairly. Discussed how actions can have an impact on a person.

COMPLETED:

- School councillors spoke about the kindness spotlight. Agreed that the teacher would pick out a spotlight, children share their ideas around a circle time and this is then celebrated in celebration assembly.

2. Areas which we'd like to work with children

- Vision and aims
- Houses: working together
- Behaviour: our curriculum
  - Children shared that the changes have been positive: people enjoy 'loving' no more amber, no more red. They children are enjoying the challenge of getting to the diamond and the unicorn!
- Playtimes: strengthening the environment
- Homework
- Protected Characteristics: celebrating equality for all

2. Playtimes: strengthening the environment

We now have all the equipment ordered from PTFA.
We need to think about putting a timetable together for scooters and outdoor learning shed.

Actions from meeting:

Miss Simpson to send Kindness spotlight templates out to staff.

School councillors to make a timetable for scooters and outdoor learning shed.
