Our class texts...

Key Learning this term...

It does seem that long since we started this school year, and already we are in our final half term. How time flies when you are enjoying things. It has been a real privilege to teach this class and I am sure we will enjoy this final half term together as much as we have the rest of the year.

We are continuing to work on The Wild Robot. This book is a wonderful page turner but with 80 chapters does take a while to work through. I know that the children won't get bored of it anytime soon. (And there is now a sequel or two to read as well.)

In Maths we have the Y4 multiplication tables check (MTC) week in June, and we will be looking at money.

Science sees us looking at conservation, a wonderful topic about looking after our world that links in well with the RE lessons that are of a similar theme.

In computing we will be coding using Scratch. I know the children always enjoy these lessons and coding is an important skill to develop.

PE is athletics as we look towards Sport's Day.

As always, if you do have any questions please do contact me either for an informal chat when you collect your child, or contact the office if you want an appointment for a longer conversation.

Dates for the diary...

Tuesday 3rd June. Term begins

Thursday 5th June- Trip to Gulliver's

WB June 9th – MTC week

Thursday 19th June- School Sleepover

Wednesday 25th June- Sport's Day

Thursday 24th July- Last Day

Our Theme in Collective Worship is:

Courage

Reminders...

Please ensure your child has a water bottle and their book bags in school each day.

PE kits should stay in school until the end of each half term.. PE will be on **Tuesday** afternoons.

All school items should be clearly labelled.

Please make sure you child's planner and book come into school everyday for us to read, change and stamp.

Recommended Read!

Rev Delafield recommends::

I always remember reading this as a child. It is a real classic!
