Key Learning this term...

This term our topic is 'Wow, What Wonderful Women!'

In Year 1 phonics we will be using Little Wandle to ensure our children can read fluently and with prosody and understanding. This term we will be continuing to learn and consolidate lots of new phase 5 sounds. Your child will continue to receive their new Little Wandle decodable or fluency reading book and their chosen reading for pleasure book every Friday. Please encourage your child to read at home with you, 3X per week. In Year 2 spelling we will be continuing to learn some more complex spelling rules using the Little Wandle spelling scheme.

In Writing we will be looking at non-fiction biographies. We will enjoy making posters, writing a biography of our own, a fact file, a recount and a list poem!

In Maths, Year 1's will be looking at position and direction, numbers to 100, money, and time. Year 2's will be looking at problem solving, position and direction, and statistics.

In Geography we will be learning about our school and its locality. In History, we will be learning about the history of notable women. In Science we will be learning about materials and their uses.

In Art, we will be making maps using a variety of medias. In Music, we will be learning about lots of different styles of music, focusing on the differences between pulse, rhythm and pitch.

In Computing we will be learning how to program a quiz! In PE we will be taking part in OAA. In PSHE we will be learning about relationships and what makes a positive relationship. In RE we will be learning how to care for others and the world, and why this matters.
