Key Learning this term...

Compared to our other half terms, this is a very short one.

In our English lessons, I am very excited to be reading, "The Wild Robot," which is a long book (about 80 chapters) and will take most of both this and next half term. It is one of my favourite children's books, and the new movie does it justice although does miss out some things that the book explores in more detail.

Our Maths will continue with our Power Maths and of course the ever present times tables practice. I am so proud of the children's progress in times tables – they are doing so well. The Y4 children have the national Multiplication Tables Check coming up in June – so this term we will be making sure we keep that going.

In our other subjects we will be looking at Electricity in Science, Rivers in Geography, Hinduism in RE, Nature in Art, Classroom language in French, Cricket in PE, Relationships in PSHE and Feelings in Music.

As always, please let me know if you need to discuss anything.

Dates for the diary...

Friday 25th April: Report Cards

Thursday 1st May: Class photos

Monday 5th May: Bank holiday School closed

Friday 23rd May: last day of term

Reminders...

Please ensure your child has a water bottle and their book bags in school each day.

PE kits should stay in school until the end of each half term. PE will be on **Tuesday** afternoons.

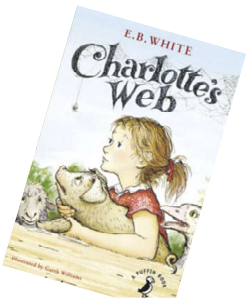

Swimming is on Thursday afternoon.

All school items should be clearly labelled.

Please make sure you child's planner and book come into school everyday for us to read, change and stamp.
