1. Actions from previous week

Miss Simpson to speak to staff about Scooter and Cosy corner and make sure this is printed out around school so all children can see the rota.

Class Questionnaire about the scooters and cosy corner. Miss Simpson and School Councillors to create this together at next meeting.

2. Areas which we'd like to work with children

- Vision and aims
- Houses: working together
- Behaviour: our curriculum
    - Children shared that the changes have been positive: people enjoy 'loving' no more amber, no more red. They children are enjoying the challenge of getting to the diamond and the unicorn!
- Playtimes: strengthening the environment
- Homework
- Protected Characteristics: celebrating equality for all

2. Playtimes: strengthening the environment

We now have all the equipment ordered from PTFA.
We need to think about putting a timetable together for scooters and outdoor learning shed.
The equipment has arrived. Miss Simpson has set the cosy corner and the scooters up. There is a rota is place.
Timetable for scooters

The school councils who attend break club are going to set the cosy corner up every morning before other children arrive, so this doesn't take up break times.

Impact of the cosy corner and scooters

Bethany asked the school councillors the following:

What questions do you want to include in the questionnaire?

The school councillors agreed the following questions to include:

1) Do you enjoy the cosy corner?
2) Do you enjoy the scooters?
3) What is your favourite part about the cosy corner?
4) Are there any improvements that could be made?

Actions from meeting:
