Key Learning this term...

Welcome to this month's newsletter! Our class has been buzzing with exciting learning activities across a variety of subjects. Here's a quick look at what we've been up to. The collective worship theme is "Forgiveness."

In English we are diving into the magical world of The BFG by Roald Dahl. The children are enjoying the adventures of Sophie and the Big Friendly Giant, while working on comprehension skills, vocabulary, and creative writing. In Maths, we are exploring fractions. We've been learning how to recognize, compare, and add fractions, building a strong foundation for future math challenges.

Our topic focus is on Castles. We've been studying their history, learning about their structure and purpose, and even designing and building our own mini castles! In PE, we're practicing Gymnastics. The children are learning basic movements, balance, and coordination, while also creating their own routines. In Science, we are learning about Sound. The students are investigating how sounds are made and how they travel, with fun experiments to help us understand the science behind it.

As Easter approaches, we're exploring the meaning of Easter in RE. We're looking at its significance in Christianity and how it is celebrated around the world.

It's a busy half term with both World Book Day and Red Nose Day taking place. Thank you for your continued support. The term concludes with Class 3 leading the Easter Service, which will include a play in Church to which everyone is invited. Tuesday 1st April at 2pm

As always, if you have any questions, please feel free to contact school or have a quick word when we dismiss the class at the end of the day.
