Key Learning this term...

We are excited to embark on a new term filled with exploration and learning. In English, We're diving into "The Boy Who Grew Dragons" this term, exploring this adventurous story and working on understanding themes, characters, and key vocabulary. In Maths, we will focus on multiplication and improving our fluency in recalling our times tables facts. In Science we will explore the habitats of a range of animals. History lessons will focus on the Anglo-Saxon kingdoms. In D&T we will be having a go at sewing. Lastly, in RE, we will explore the creation story and what it means for Christians.

As always, I will be outside school when the children are collected so feel free to say hello. If you need to speak to me for a longer time, contact the school office and we can happily arrange a time to meet.
