Key Learning this term...

We are excited to embark on a new term filled with exploration and learning. In English, we will dive into "The Firework Maker's Daughter," delving into its characters and adventures. In Maths, we will focus on Place Value and sharpen our calculation skills. Science will take us on a journey through the digestive system, understanding its marvels. History lessons will uncover the rich tapestry of Baghdad's history. In Art, we will hone our drawing techniques, unleashing creativity. Lastly, in RE, we will explore why people find Jesus inspiring, sparking thoughtful discussions.

As always, I will be outside school when the children are collected so feel free to say hello. If you need to speak to me for a longer time, contact the school office and we can happily arrange a time to meet.
