Our class texts...

Key Learning this term...

This term we will be exploring the wonderful world of rivers in Geography, learning the names of rivers not only in the UK, and their sources and mouths.

In Science we will learn about the life processes of plants; the life cycles of mammals, insects, amphibians and birds, as well as some of most famous naturalists Jane Goodall and David Attenborough.

As artists, we will look at architecture, using our observational skills, print making, and building design. We will look at the work of Hundertwasser before creating monuments with meaning, focussing on composition and design.

Our religious education focusses on how the religions of Christianity, Islam and Hinduism look at how we treat other people, and the key characteristics of how this is done.

There are 5 weeks of swimming this half term, taking place every Thursday.

Homework is due in on Wednesdays. There is an expectation that everyone completes a minimum of 15 minutes of Maths Whizz at home.

Dates for the diary...

13th June South Peak Sports
17th June Inset Day
20th June reserve day South Peak Sports
21st June Sports Day
3rd July Highfields Transition Day
16th July Class 4 production
23rd July Leaver's Service and Clap out

Our Theme in Collective Worship is:

Reminders...

Please ensure your child has a water bottle and their book bags in school each day.

PE kits should stay in school until the end of each half term. All PE kits should include a pair of trousers for outdoor sports. PE is now on a Friday afternoon.

All school items should be clearly labelled.

Please make sure you child's planner and book come into school everyday for us to read, change and stamp.
