Key Learning this term...

Our students are embarking on an exciting voyage through the sands of time as they delve into the mysteries and wonders of Ancient Egypt. In both English and History lessons, they are uncovering the captivating stories of pharaohs, deciphering hieroglyphics, and exploring the rich cultural tapestry of this ancient civilization. From the grandeur of the pyramids to the secrets of the Nile, our scholars are immersing themselves in the fascinating world of the Pharaohs.

Meanwhile, in the realm of Science, our young geologists are delving deep into the earth's crust as they study the marvels of rocks.

In Religious Education, our students are exploring the essence of Christian faith and what it truly means to embody its values. From compassion and forgiveness to humility and service, they're engaging in meaningful discussions and reflections on the teachings of Christianity. Through stories, scriptures, and personal reflections, our learners are cultivating a deeper understanding of faith and its relevance in today's world.
