Reminders...

Please ensure your child has a water bottle and their book bags in school each day.

PE kits should stay in school until the end of each half term. All PE kits should include a pair of trousers for outdoor sports. PE is now on a Friday afternoon.

All school items should be clearly labelled.

Please make sure you child's reading jotter and book come into school everyday for us to read, change and stamp.

Homework will go out every Friday to be returned by the following Wednesday. Please read with your child at least 3 times a week to help and support their reading fluency, comprehension and phonics.

Additional homework – Your child can also access Maths Whizz at home.

Key Learning this term...

This term our topic is 'Transport and Travel'.

In Phonics and spellings, we will continue to use Little Wandle to ensure our children can read fluently and with prosody and understanding. This term we are continuing to learn our Phase 5 sounds and new tricky words. Your child will receive their new Little Wandle reading book and their chosen sharing book each week. Please encourage your child to read at home with you using their fabulous prosody (special reading voice!).

We have 5 different key class texts which we will be diving deeper into and exploring in Literacy. These key texts are both fiction and non-fiction to support our learning. We will be writing letters, adventure stories and writing a recount about our school trip to Crich Tramway Village.

In Maths both year 1 and 2 children we will be continuing to look at length, height, mass, capacity and temperature. Please practise counting in 2s,5s and 10s. If your child is in year 2 please practise 3s as well!

In Science, we are going to be identifying and naming a variety of everyday materials, describing the properties of the materials, identifying which materials are natural and those that are manmade. We will then be using this knowledge to predict which objects would float or sink and deciding which materials would be best for different objects. EXCITING!

In Geography, we will be revisiting and recapping the 4 countries of the United Kingdom and the capital cities of them. As well as comparing the landscapes and features of the four different countries of the United Kingdom.

In History, the children will be looking at how transport has changed over the years. They will be sorting old and a new transport and asking family members about the transport which was around when they were little. Please complete your child's history homework with them to enable them to take part in the whole class discuss.

In D&T, we will be exploring wheels and axels, the children will be making their own moving transport! The children will be making Mother's Day cards in Art and recapping previous learning.

In computing, we will be looking at how we can collect data.

In Music, we will be listening to a range of different genres and exploring the different styles. Have we heard the songs before? How does the song make us feel?

Our topic in PSHE is 'Being Me'. We will continue to talk about different feelings and how we deal with them and what makes us, us 😊 We will continue to have our circle times (which we love!) and our daily story at the end of our jam-packed memory making days!

PE is on a Friday afternoon, we will be practicing our catching, throwing and running skills.
