Class 3 Spring 1

Newsletter

Our class texts...

Dates for the diary...

18th January: First Swimming Session

19th January: Year Three begin Forest Schools

14th February: Ash Wednesday

16th February: Last day of Half Term

Key Learning this term...

Welcome back to Class Three.

The Value we are focussing on this term is **Generosity.**

Happy New Year everyone. I hope that 2024 brings with it all the hope and encouragement you need to achieve your best.

English

We will be looking at the book, Kensuke's Kingdom by Michael Morpurgo. It is a great story that I know the children are going to gets lots out of.

Maths

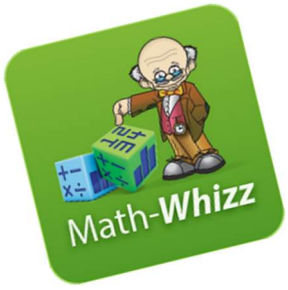

The main focus in Maths is going to be around multiplication and division, it is well worth spending time practicing times tables to give you the best opportunity to really make this learning second nature.

In Science we will be looking at Light and understanding why shadows happen.

Our RE will be about seeing why people pray and celebrate, including looking at Hindu prayer as well as Christian, remembering that prayer is always a choice and that no one in school is ever made to pray.

In History, we are continuing working through the timeline of British History. So we will be recapping the Bronze and Iron Ages and widening out understanding of that period of time.

Our French focus is the seasons.

Our value this term is:

Generosity

"God Loves A Cheerful Giver," 2 Corinthians 9.7

Reminders...

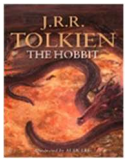

PE will be on Friday, and Swimming will be on Thursdays starting 18th January. Please make sure the children bring the appropriate clothing for those lessons.

Year Three children will have Forest School on Fridays, starting on 19th January.

Homework will be set on a Wednesday, to be handed in the following Tuesday – giving the children a week to complete the tasks set. There will be a short English task – just to keep the children 'ticking over'. And the children are encouraged to earn three gems each week on Maths Whizz- which went really well with most of the class last term – well done.

Recommended Read!

I loved this book when I was growing up, especially all the riddles.

Well worth reading together at home.
