Achieving through kindness, compassion and perseverance • Let us run the race that is before us and never give up

Class 4 Spring 1

Newsletter

Our class texts...

Key Learning this term...

In English, we will be learning about 'Moon' poetry, 'No ballet shoes in Syria' and works of Shakespeare including 'A Midsummer's Night Dream'. We'll be discussing figurative language and looking to use simile, metaphor and personification in our own writing.

In Maths, we will be learning about fractions, multiplying and dividing. We'll be continuing our format of '12 in 12' at the start of every lesson to practise fluency. This will then be followed by a Power Maths lesson from White Rose with extension possibilities to further develop reasoning and problem solving.

In Science, our subject is 'Light'. The children will be experimenting with light and the absence of light, darkness. (Not the opposite of light.) They will be studying how light moves and how reflections work.

In Art, we will be learning about self portraits through various media and in D&T we will be discovering the mechanism behind pop up cards and books.

Our French topic is about clothes, RE is looking at why we need places of worship and for PE we will be doing dance, with a specific focus on Bhangra and Bollywood.

Dates for the diary...

Bikeability for Year 6

Group 1 – 17th & 18th January

Group 2 – 19th & 22nd January

Staffing in Class 4

Teachers

Mrs Rogers and Mr Titterton
