Our class texts...

Key Learning this term...

This term our topic is 'pole to pole'. We have got lots of things planned for this term! From exciting experiments, writing opportunities, being creative in our art and music lessons to performing our nativity play to our parents, carers, and families.

In Phonics and spellings, we will continue to use Little Wandle to ensure our children can read fluently and with prosody and understanding. This term we are continuing to learn our Phase 5 sounds and new tricky words. Your child will receive their new Little Wandle reading book and their chosen sharing book each week. Please encourage your child to read at home with you using their fabulous prosody (special reading voice!)

We have 6 different key class texts which we will be diving deeper into and exploring in Literacy. These key texts are both fiction and non-fiction to support our learning. We will use will continue to practice letter formation, keeping our letters on the line and using finger spaces as well as using capital letters, full stops, question marks and exclamation marks to punctuate sentences. We will be learning about nouns and adjectives and using them in our writing, We will be creating our own posters to promote recycling to save the sea animals and creatures, writing an adventure/quest story, looking at patterns and rhymes, performing poetry as well as creating a non-fiction piece of writing. We will also continue to practice using our new sounds and tricky words in our independent writing.

In Maths we will be looking at place value, comparing numbers, ordering numbers and objects, using a number line, addition and subtraction as well as exploring the properties of 2D and 3D shapes.

In science, geography, and history, we are looking forward to learning all about the arctic and animals that live in cold climates, animal families and the foods they eat, the north and sole poles, Ernest Shackleton and Ann Daniels who were/are Polar Explorers and why are such significant people in history.

In art and D&T, we will be creating our own Christmas puppets and revisiting different ways to make marks.

Our topic in PSHE is 'money matters'. Through a range of class discussions, we will be thinking does money grow on trees? How do we keep money safe? How would we spend £5? Why do we need jobs? We will continue to have our circle times (which we love!) and our daily story at the end of our jam-packed memory making days!
