Dr Seuss once said,

"You can find magic wherever you look. Sit back and relax, all you need is a book."

Here at St Giles we LOVE reading, and we want our children to love reading too.

As parents, you play a vital role in this.

We are holding a workshop:

Reading with your child in Key Stage 2

to give you a greater insight into what this means and how you can help your child become a confident reader, with a love of books.

Tuesday 27th September

5.00pm in school
