Our school value this term is

Forgiveness

Please do contact us about any worries or queries you have. It is easiest and best to catch us at the end of the school day.

Key Learning this term...

This term's topic is.

In **Maths** this term we are continuing to learn about halves, quarter and how to represent fractions, as well as continuing with our counting in 2s, 5s and 10s – or learning these as times tables.

In **Literacy** we will be reading the texts on the left, learning about the key features of fairy-tales and sequencing events to form a narrative.

In some of our other areas we are:

- Learning how to be kind, calm and mindful as parts of our school and class communities
- Practising knowing about different parts of sentences, like noun, verb, adjective and adverb.
- using our knowledge of structures and learning about wheels and axles to help us to design and build small-scale fairground wheels that turn.
- finding out about lifecycles, focusing on humans, butterflies, frogs and chicks.
- learning about digital writing in computing.
- learning about the street artist James Rizzi, exploring colour and 3D form.
- Comparing Victorian schools to the present, using artefacts

Reminders...

At the end of the week, please return sharing books so your child can choose a new one – thank you.

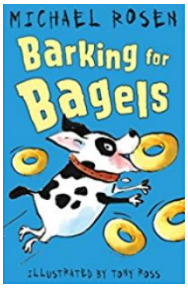

Please make sure your child has a bag every day, with their reading diary and book.

Homework books can be returned early in the week, and we'll send them back at the end of the week with the next task.

PE is on Tuesdays this term – please continue to send children in dressed in their PE kit.

On sunny days, please apply suncream to your child before school. They can then bring a labelled suncream in their bag to reapply at lunch time, too.

Recommended Read!

Isla has recommended this book to us all!
"It's very funny and the dog gets very fat! It's a chapter book, with pictures."
